CHANGING lives by LEADING people into a GROWING relationship with Jesus Christ

A Note from Pastor Tim

Dear Cornerstone Family and Friends,

First, I'm excited to see how the Lord will work among us in April. We will have the opportunity to hear how the Lord has used a retreat called Walk to Emmaus to change lives and to dig into the biblical basis for this retreat found in Luke 24 on April 7th. This Sunday is a Walk to Emmaus Sunday. Then, a message series called "Truth Be Told" will begin on April 14th. This message series will be based on Proverbs, the Bible's book on wisdom. More than ever, we need wisdom to know how to live in an age of increasing isolation, outrage, subjectivity, and superficiality. Both the Walk to Emmaus Sunday and the "Truth Be Told" series Sundays are great opportunities to bring a family member, friend, associate, or neighbor.

Second, Baptism Sunday is on April 14th. We will be celebrating baptism through sprinkling water, pouring water, or immersion in water. If you have not experienced a Christian baptism in the name of Father, of the Son, and the Holy Spirit or you would be interested in renewing your baptismal vows, please reach out so we can explore how the Holy Spirit is graciously working in your life by faith.

Third, Cornerstone Church's leadership extended the opportunity to me to be next lead pastor last April. We started here effectively July 1, 2023 with the blessing of Bishop Mark Webb; so, my family and I have not been here for a year yet. However, this month marks a year since we believe God answered our prayer by matching Cornerstone Church with us. We continue to be grateful for God's faithfulness and your generosity.

Grace & Peace,

Pastor Tim
