We have three special Sundays planned for the month of May:

First, we get to hear from Pastor Brian Choi on May 5th. The Holy Spirit is using his family and him to plant a new church called Beta Church in the Mason area. Local churches remain God's first plan to offer Christ and help people be changed into His image.

Second, Mother's Day is on May 12th. A few special things are planned - one being Melissa Goodman preaching. It would be a great Sunday to invite children, grandchildren, mothers, wives, or a person special to you to attend. I do recognize that this day can either be a source of joy or a source of grief. Please know you are prayed for today.

Third, Step Up Sunday is May 19th. This is the Sunday where we will celebrate younger children stepping up to the next the stage of children's ministry, older children stepping up to youth ministry, and students graduating from educational institutions. Also, I will teach on God's call to "step up" to love, serve, and contribute in Jesus' name. After service, we will be invited to learn about different ministry opportunities by visiting ministry tables where we can talk with a ministry leader and grab different food items to make our walking tacos. Even if you cannot commit to serving, please plan stay to connect with others and enjoy a walking taco!

You might wonder what is planned for May 26th. I won't keep you in suspense. We will return to the "Truth Be Told" message series and wrap it up.

Grace & Peace,

Pastor Tim
